Dose consistent with Keirmayer, et. al. Genesis (2007) 45:11-16 and Andersson, et. al. Transgenic Res (2010) 19:715-725. 2016 base provides a minimal phytoestrogen background. Tamoxifen is premixed with sucrose however feed aversion is still common with tamoxifen containing diets. See <http://www.inotivco.com/tamoxifen-diets> for more information.
