

Envigo Global Services, Inc. Terms and Conditions of Sale

1. Applicability.

(a) Envigo Global Services, Inc. an Inotiv, Inc.¹ Affiliate², acting by itself and/or by an Affiliate (“**EGSI**”) may offer to customer, Non-Human Primates (“NHP’s”), rabbits, Biospecimens³, or other products (each “**Products**”) and services, including, without limitation, surgical services and NHP buy and board services (each “**Services**”) as may be further specified in a quotation or other commercial document issued by EGSI to customer (each an “**EGSI Document**”).

(b) All such sales of Products and/or Services by EGSI are governed by these Terms and Conditions of Sale (“**Terms**”) provided, however, that if at the time of customer’s order placement, a distribution agreement, master service agreement, and/ or supply agreement (each an “**Existing Master Agreement**”) signed by the Parties is still effective and expressly applies to the sale of the Products and/or Services ordered by the customer and covered by these Terms, these Terms shall not apply to such orders during the Existing Master Agreement’s term. EGSI and customer are each a “**Party**” and collectively constitute the “**Parties**”.

(c) The EGSI Document(s), any Purchase Order Transaction Terms (defined below) submitted by customer and accepted by EGSI, and these Terms comprise the entire agreement (the “**Agreement**”) between the Parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, between the Parties with respect to such Products and Services. Any and all customer terms and conditions (including, without limitation, any which may be delivered by customer with any purchase order or other customer generated document) which are different than, inconsistent with, or purport to supplement these Terms and/or the applicable EGSI Document are rejected unless otherwise expressly agreed to by EGSI in a signed writing, provided, however, that the customer’s written “**Purchase Order Transaction Terms**” consisting of (1) the Product(s) and/or Service(s) ordered, (2) quantity ordered, (3) price, and (4) delivery location, are not rejected if EGSI accepts the order. Furthermore, specification in a purchase order of the date and method of delivery for Products or Services shall be binding on EGSI only if expressly accepted by EGSI in writing.

2. Delivery of Products and Performance of Services.

(a) Timeliness. EGSI shall make reasonable efforts to provide the Products and perform the Services in a reasonable timeframe in accordance with the Agreement. Unless expressly set forth in the EGSI Document, (1) any performance dates set forth are estimates only and the time of delivery is not of the essence. EGSI shall not be liable for any delay, loss, or damage while the Products are in transit, nor for any delay or non-delivery to the extent caused by (i) a Force Majeure Event, (ii) EGSI’s compliance with customer’s instructions, or (iii) customer’s failure to provide EGSI with adequate delivery instructions or other information or materials (including, without limitation, import documents) necessary or reasonably requested by EGSI with respect to EGSI’s fulfillment of an order. Furthermore, with respect to NHP Orders only, EGSI may cancel any order at any time upon notice to customer (which, in this case may be by phone, email, and/or physical mail) and EGSI shall have no liability to customer in connection with the termination of such order.

(b) Order Processing for Unmodified Rabbits. For orders delivered within the United States, the order cut-off time for unmodified rabbits is 3:00 PM Eastern Time on Wednesdays for deliveries to be delivered the following week. Questions regarding the dispatch location and scheduled shipment date of your rabbit order, as well as the applicable cut-off time for such order can be directed to customer service at CSDOrders@inotivco.com except that for EMEA and APAC customers such questions shall be directed to the applicable customer service email address as set forth in the applicable territory’s product guide. Orders for unmodified models received after the applicable cut-off time and requested for delivery the following week may be assessed a late order fee, as well as expedited shipping charges, if applicable, if the order is accepted, in EGSI’s discretion.

(c) Packing & Shipping. Unless otherwise expressly specified in the EGSI Document, EGSI shall prepare Products for delivery using EGSI’s standard methods for packaging and shipping such Products.

¹ Envigo Global Services, Inc. is a Pennsylvania (U.S.) corporation. Inotiv, Inc. is an Indiana (U.S.) corporation.

² “**Affiliate**” of a Person means any other Person that, directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with, such Person. “**Person(s)**” means an individual, corporation, partnership, joint venture, limited liability company, governmental authority, unincorporated organization, trust, association, or other entity. The term “**control**” for purposes of this Agreement means the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise, including, without limitation, direct or indirect ownership of more than fifty percent (50%) of the voting securities of a Person, and “controlled by” and “under common control with” have correlative meanings.

³ **Biospecimens** are materials derived from non-human biological material including, without limitation, tissues, serums (including antisera), biological fluids, ascites, and bone marrow.

(d) Partial Shipments. EGSI may, in its sole discretion, without liability or penalty, make partial shipment of Products when authorized by customer. Each shipment will constitute a separate sale, and customer shall pay for the units shipped whether such shipment is in whole or partial fulfillment of customer's purchase order.

(e) Import Clearance. Unless expressly specified in the applicable EGSI Document, customer assumes all responsibility for shipments of Products requiring any government import clearance.

(f) Delivery Acceptance. If customer fails to accept delivery of any Products or Service deliverables on the date that the Products or Service deliverables are delivered, or if customer notifies EGSI that it will not accept delivery on a date previously confirmed for delivery, or if EGSI is unable to deliver the Products or Service deliverables on the delivery date (or any date previously confirmed for delivery) because customer has not provided appropriate instructions, documents, licenses or authorizations (including import documents): (i) risk of loss to the Products and Service deliverables shall immediately pass to customer; (ii) the Products and Service deliverables shall be deemed to have been delivered; and (iii) EGSI, at its option, may elect to either (A) store the Products and/or Service deliverables until customer picks them up or informs EGSI that it is ready to accept delivery, whereupon customer shall be liable for all related costs and expenses (including, without limitation, storage and insurance) or (B) deem the event a customer cancellation, and, in addition to the amounts payable to EGSI for cancellation, customer may be charged by EGSI for EGSI's additional incurred transportation and other expenses related to the customer's acts or omission related to delivery acceptance (including, when applicable, euthanasia of animal models ordered).

(g) Cooperation. With respect to the Services, customer shall (i) cooperate with EGSI in all matters relating to the Agreement; (ii) respond promptly to an EGSI request to provide direction, information, approvals, authorizations, or decisions that are reasonably necessary for EGSI to perform Services or provide Products in accordance with the requirements of this Agreement; and (iii) provide such customer materials or information as EGSI may reasonably request to carry out its obligations in a timely manner and ensure that such customer materials or information are complete and accurate in all material respects.

(h) Unforeseen or Emergency NHP Product or Service Changes. In the course of performing NHP Services or providing NHP Products, EGSI may, in its reasonable judgment, vary from the EGSI Document and/or perform different or additional services, or incur additional costs, in order to lawfully (including, without limitation, for purposes of animal welfare) and/or successfully provide the Product or Services ordered by customer, which changes may not have been foreseen and incorporated into the original EGSI document and/or which variations may arise from emergency circumstances. EGSI shall make a good faith effort to notify the customer orally or in writing (which may be by email) prior to such actions, however, when notification is not possible or achieved despite EGSI's reasonable effort, EGSI may proceed with such actions and customer shall be liable to EGSI for the standard price of such additional services and costs incurred. If prior written notice is not achieved, EGSI shall provide a subsequent written notice explaining the changes made and EGSI's basis for determining that such changes were warranted.

3. Restrictions on Use and Breeding.

(a) Safe and Lawful Use. Any Products, including, but not limited to animal models, purchased from EGSI shall be used by customer in a safe manner in accordance with all applicable Laws and this Agreement.

(b) General Restrictions. In acknowledgement of EGSI's proprietary rights in the genetic composition responsible for the unique genetic characteristics of animal models purchased from EGSI and descendants of those animals, including, without limitation, those derived by inbreeding, crossbreeding, or by any other reproductive technologies, modified and unmodified derivatives, as well as germplasm (collectively "**Animals**") and EGSI's proprietary rights in non-animal Products, neither Animals, nor other Products (excluding Biospecimens) may be directly or indirectly:

(1) used for any commercial purpose, whether for cash or other consideration including, without limitation, for sale, resale, distribution, licensing, or for the use of the Products or any components thereof in manufacturing or to provide a product or a service for clinical, therapeutic, diagnostic or prophylactic purposes,

(2) bred, generated, cross bred, reproduced, (unless, when permissible, customer has separately entered a mutually signed breeding license with EGSI, and solely to the extent of rights granted in such breeding license); or

(3) provided to any third party or its agent for any reason, including, but not limited to, for the development of breeding colonies or the provision of other services with respect to such Products.

(c) Subject to the terms of the Agreement and expressly conditioned upon customer's timely payment of all amounts due to EGSI, the purchase of any Products (including Animals) or Services conveys to the customer a non-transferable, non-sublicensable, non-exclusive right to use the Product and Services and the components of the Products **only in the**

customer's internal research conducted by the customer (except for Biospecimens and Biospecimen Services such as in vivo antibody production, each of which may be used for purposes other than internal research) and specifically in accordance with the EGSI Document and these Terms.

(d) If customer fails to comply with the foregoing limitations, in addition to any other remedies available to EGSI, the license granted in subsection (c) will automatically terminate as will any existing warranty with respect to the affected Products and/or Services.

4. Customer Requested Postponements & Cancellation; Pregnant Animal Policies. Customer shall notify EGSI, in advance, of any requested order delivery postponements or order cancellations. Customer caused postponements and cancellations are subject to the EGSI remedies set forth in subsection 4(a) for order postponements, and in the applicable order cancellation policy for the applicable Product and/or Service for orders fulfilled from the applicable territory. Unless cancellation is expressly permitted in an EGSI Document or as otherwise detailed in an expressly applicable cancellation policy referenced herein, customer will remain liable to pay 100% of the applicable Product and/or Service price for any order, or portion of any order, cancelled by customer. In the event of multiple cancellation charges applicable to a single order, all such charges apply, provided, however, that no more than 100% of an order amount (plus applicable transportation, shipping, handling, and packaging, and per diem costs incurred and charges assessable) shall be charged upon cancellation. EGSI may modify its postponement, cancellation, or pregnant animal policy at any time, in its discretion.

(a) **Postponements Fees and Per Diem.** When EGSI's delay in shipment of an order including an Animal *is caused, in whole or in part, by customer*, EGSI may charge the customer:

- (1) the current per diem list price to hold any Animals subject to such postponement until a postponed order is shipped;
- (2) a shipment postponement fee of up to the original transportation price, determined in EGSI's discretion; and/or
- (3) a higher price for the Animal in consideration of the Animal's older age.

Additionally, if Customer causes, in whole or in part, EGSI's delay in shipment of an NHP order for 3 months or more from the originally scheduled shipment date, then, in EGSI's discretion, unless the Customer makes full payment for such NHP's by a date specified by EGSI in its notice, EGSI may, upon notice to Customer, deem the order for NHP's cancelled by Customer and may reallocate such NHP's to other customers.

(b) **Order Cancellation.**

(1) Universally Applicable Cancellation Provisions.

(A) After Performance of Services. If customer requested Services including, but not limited to, testing, acclimation, vaccines, or treatments, are performed prior to EGSI's receipt of a customer request for cancellation, customer shall pay 100% of the price quoted or the total current list price, whichever is higher, for such Service(s) performed prior to EGSI's receipt of a customer request for cancellation.

(B) After Dispatch. Customer shall pay 100% of the order price for any Product order cancelled by customer after a shipment is dispatched. After dispatch, Customer is obliged to accept NHP's delivered, regardless of whether Customer requests cancellation.

(2) Orders Fulfilled from the United States. The following order cancellation policies in this subsection (b)(2) apply to orders that are primarily fulfilled, or to be primarily fulfilled, from EGSI operations in the United States:

(A) Animal Specific Provisions.

(i) Rabbits. This Rabbit order cancellation policy applies to the purchase of rabbits for standard ("off-the-shelf") orders and standing orders:

Cancellation policy charge:*	Number of days' notice given before the delivery date noted on the shipment order acknowledgment		
	No charge	50% charge	100% charge
(1) Rabbits 25 weeks or older**; or (2) Rabbits, of any age, ordered for international air delivery; or (3) Any Rabbit order for Rabbits 25 weeks of age or older, or of Rabbits of any age ordered for international air delivery, which order is reduced in quantity by customer by 20% or more.	35 days or more	11 days to 34 days	10 days or less
(1) Rabbits less than 25 weeks (excluding Rabbits	20 days or more	Before order cut off through 19 days	After order cut off

ordered for international air delivery); or (2) Any Rabbit order of Rabbits less than 25 weeks (excluding Rabbits ordered for international air delivery) which order is reduced in quantity by customer by 20% or more.			
---	--	--	--

*Cancelled orders for timed-mated, preconditioned, or surgically modified rabbits may be charged, EGSI's discretion, at full (100%) price regardless of the amount of notice supplied.

**Rabbits held for aging, which rabbits are older than 30 weeks at the time of cancellation, will be charged at 100% of the price of the age of the rabbit when cancelled.

(ii) NHP's.

a. NHP's Generally. No cancellation fee shall apply to NHP orders if customer delivers notice of requested cancellation to EGSI both (a) at least 15 days prior to the planned shipment date and (b) before the NHP's have been transferred to indoor pre-shipment quarters. If a cancellation notice is received after either deadline, customer shall pay 10% of the total order price or a minimum of \$5,000.00, whichever is higher.

b. Special NHP Imports. Alternate cancellation terms may apply to NHP's which are imported other than through EGSI's standard importation processes at the time or which do not conform to EGSI's standard specifications, as requested by customer. Such alternate cancellation terms, if applicable, shall be set forth in the EGSI Document. Unless otherwise specified in the EGSI Document, the NHP cancellation terms in these Terms shall apply.

c. Surgically Modified NHP's. Unless otherwise expressly set forth in the EGSI Document, for surgically modified NHP's the following cancellation charges to the customer shall additionally apply:

(I) if a cancellation notice is received by EGSI on the day surgery is scheduled, the cancellation charge is 100% of the total order price;

(II) if a cancellation notice is received less than 10 business days prior to a scheduled surgery but not on the day the surgery is scheduled, the cancellation charge is 50% of the total order price; and

(III) upon surgery completion, even if the modified NHP removes or damages a surgical modification after surgery, including the period of time before, during or after shipment, a cancellation charge equal to 100% of total order price shall apply.

If customer requires a minimum quantity of surgically modified NHP's, customer is recommended to order a surplus to offset any potential destruction caused by NHP behavior. Customer should contact EGSI for applicable advance order times required for each NHP model.

d. International Air Shipments. The following chart applies to all cancellations of orders by customers which orders include NHP's:

Days prior to shipment in which notice of cancellation is received by EGSI	International Transportation Cancellation Fee (% of transportation price for cancelled order)
16+	up to 25%
7 – 15	up to 50%
1 – 6	100%

This transportation charge is in addition to any other fee or charge arising from cancellation of such order.

(3) Orders Fulfilled from Europe⁴. The following order cancellation policies in this subsection (b)(2) apply to orders that are primarily fulfilled, or to be primarily fulfilled, via EGSI operations in Europe:

(A) Animal Specific Provisions.

(i) Rabbits. A 100% cancellation charge will apply to confirmed orders for rabbits which are cancelled by customer less than 10 weeks prior to the planned delivery date. However, if a confirmed order for rabbits over 18 weeks of age is cancelled at any time then an automatic 100% cancellation charge will apply to the order. In both cases the cancellation fee (animal value only) will be based on the age of the animal at time of cancellation.

⁴ In these Terms, the word Europe includes the United Kingdom.

(ii) NHP's. NHP order cancellations are only permitted as expressly stated in a writing issued to customer by the EGSI affiliate in Europe from whom the order would be primarily fulfilled. Absent such express permission, any cancellations may be charged by EGSI at 100% of the order amount. Cancellation is not permitted after the dispatch of any portion of customer's order.

(c) **Pregnant Animal Policy**. EGSI uses well-established techniques to successfully produce timed-mated rabbits.

For timed mated animals fulfilled from EGSI affiliates in Europe, in general, animals are mated overnight from 16.00 until 08.00 hours. In case of timed mating during the day, a surcharge of 50% is added to the pregnant animal price. In case a timed mating (or preparation) set up on a holiday and / or a Sunday, EGSI will charge £ 100/Euro 120 per order. For rabbits the fee is £ 9,70 - Euro 10,70 per rabbits with a minimum charge of £ 115 / Euro 126,50 per order.

Due to the natural variation in the length of gestation, the exact day of parturition cannot be guaranteed. In addition, EGSI cannot guarantee the minimum number or sex of offspring per litter.

EGSI may ship animals which are in late gestation if requested by customer, as they may deliver their litter while in transit. Requests for credit or replacement of animals shipped in late gestation per customer request may be declined in EGSI's sole discretion.

Pregnant animals shipped in the UK are transported in accordance with the (Animal Scientific Procedures) Act 1986 and EC 1/2005 Protection of animals during transport.

EGSI does not guarantee that late term animals will not deliver in transit. If animals deliver while in transit, EGSI may charge the full order price.

If problems regarding gestational age or pregnancy are encountered, customers should immediately contact EGSI's customer service department and provide detailed information regarding the animals involved. Requests for credit and/or replacement animals may generally be declined by EGSI, in its discretion, if appropriate documentation is not supplied to EGSI.

Cancelled orders for timed-mated rabbits will be charged at full price regardless of the amount of notice supplied.

For orders from EGSI's Affiliates in Europe, when ordering females with litter, customer should take into account that EGSI can't ship litters which are less than 3 days of age at packing. When animals are sourced from the UK, the minimum age of the litter must be at least 7 days at packing.

5. Non-Delivery.

(a) The quantity of any installment of Products as recorded by EGSI on dispatch from EGSI's place of business is conclusive evidence of the quantity received by customer on delivery unless customer can provide conclusive evidence proving the contrary.

(b) EGSI shall not be liable for any non-delivery of Products (even if caused by EGSI's negligence) unless customer gives written notice to EGSI of the non-delivery within 5 business days of the date when the Products would in the ordinary course of events have been received.

(c) Any liability of EGSI for non-delivery of the Products shall be limited to replacing the Products within a reasonable time or adjusting the invoice respecting such Products to reflect the actual quantity delivered.

(d) Customer acknowledges and agrees that the remedies set forth in this section are customer's exclusive remedies for any non-delivery of Products.

6. Shipping Term. Unless otherwise expressly set forth in the EGSI Document, delivery of all Products and Service deliverables shall be made DAP (Incoterms 2020) freight prepaid and added. However, for orders fulfilled for customers with delivery locations in EMEA or APAC freight is prepaid and added across all categories of purchases. In addition, fuel surcharges will be charged if noted on the applicable EGSI Document.

7. Title and Risk of Loss. Except for NHP's owned by customer in the Buy and Board Program with respect to which title and risk of loss will transfer as specified in Section 10, and, unless otherwise expressly set forth in the EGSI Document, risk of loss and title to the Products and Service deliverables, as applicable, shall pass to customer once the Products and Service deliverables, as applicable, are delivered to customer's facility.

8. Customer's Acts or Omissions. If EGSI's performance of its obligations under this Agreement is prevented or delayed by any act or omission of customer or its agents, subcontractors, consultants, or employees, EGSI shall not be

deemed in breach of its obligations under this Agreement or otherwise liable for any costs, charges, or losses sustained or incurred by customer, in each case, to the extent arising directly or indirectly from such prevention or delay.

9. Inspection And Rejection Of Nonconforming Products and Services.

(a) Customer shall inspect the Products and completed Services, for compliance with the applicable specifications within the following periods per category ("**Inspection Period**"):

Category	Inspection Period from delivery of Products and from completion for Services
Rabbits (excluding surgically modified)	3 business days (excluding weight which shall be inspected within 24 hours of delivery).
NHP's (excluding surgically modified)	15 business days (excluding weight which shall be inspected within 72 hours of delivery)
Surgically modified Animals	24 hours (excluding weight which shall be inspected within 72 hours of delivery).
Biospecimens	14 calendar days
Completed Services	24 hours

Notwithstanding the foregoing, and solely with respect to any applicable specifications of Rabbit genetic status as well as virus, bacteria, fungi, and parasite status, the Inspection Period shall be 21 days from delivery. Although EGSI maintains control over its environment, breeding and maintenance operations and engages in a health and (for Rabbits) genetic Monitoring Quality Control Program, changes in genetic status (of Rabbits) as well as virus, bacteria, fungi, and parasite presence of Rabbits or NHP's can occur. Genetic (for Rabbits) and environmental pressures and transportation can affect the general health of animals. Consequently, EGSI recommends that customers test and monitor Animals after delivery. If customer is unable to perform such monitoring and testing, EGSI may provide assistance to customer upon request at EGSI's rates. Any testing of the type discussed in this section must be commenced by customer no later than seven (7) calendar days after delivery of the Animals and shall be completed by customer no later than twenty-one (21) calendar days after customer's receipt of the Animals. Should customer receive delivery of Products, customer will not be entitled to return the Products to EGSI for any reason.

Customer will be deemed to have accepted the Products and Services, and waived any claim for breach of warranty, unless it notifies EGSI in writing (which may include e-mail to the applicable EGSI business contact) of any Nonconforming Products or completed Services during the applicable Inspection Period and furnishes such written evidence or other documentation as reasonably required by EGSI. "**Nonconforming Products or Services**" means only the following: (i) the Product shipped or Service completed is delivered in violation of EGSI's Limited Warranty; or (ii) Product's label or packaging incorrectly identifies its contents.

(b) If customer timely notifies EGSI of any Nonconforming Products or Services, and subject to the exclusions from EGSI's Limited Warranty, EGSI shall, in its sole discretion if it confirms that the Products or Services are nonconforming, (i) replace such Nonconforming Products with conforming Products or reperform such Nonconforming Services, or (ii) credit or refund the price for such Nonconforming Products or Services. Upon EGSI's request, with respect to Nonconforming Products, customer shall, if requested by EGSI, coordinate with EGSI, at EGSI's cost for shipment, for the return of the Nonconforming Products to EGSI's designated location or make the Nonconforming Products available for EGSI's inspection. If EGSI exercises its option to replace Nonconforming Products, EGSI shall (after receiving customer's shipment of Nonconforming Products in the circumstance when return is requested by EGSI or following inspection where EGSI's inspection is requested) ship to customer the replacement Products pursuant to Section 6 and 7 at EGSI's shipping cost.

(c) **EXCLUSIVE REMEDIES.** Customer acknowledges and agrees that the remedies set forth in subsection (b) are customer's exclusive remedies with respect to the delivery of, and breach of warranty with respect to, Nonconforming Products or Nonconforming Services. All sales of Products to customer are made on a one-way basis and customer has no right to return Products purchased under this Agreement.

10. NHP Buy and Board.

(a) EGSI's buy and board program ("**B&B Program**") offers customers the opportunity to purchase and have EGSI board NHP's for a certain period of time before delivery. Depending on the scope of the B&B Program as set out in further detail in an EGSI Document, EGSI's Services may include general boarding (including housing and feed), medical care and treatment, training and socialization programs, social housing and environment enrichment, pre-screening exams, medical exams and tests, vaccinations and other related services (collectively, "**B&B Services**"). B&B Services are charged separately and on a per diem fee basis as further set out in an EGSI

Document. NHP's purchased under the B&B Program will be allocated by EGSI to a designated group and/or demarcated space (within EGSI's facilities and/or EGSI's electronic systems, at EGSI's discretion) for the purpose of receiving B&B Services (the "**Designated Area**") until physical transfer of possession of the NHP to the customer.

(b) Notwithstanding any other terms or conditions herein, unless otherwise agreed to by the Parties in an EGSI Document, NHP's ordered by Customer for inclusion in the B&B Program, shall be deemed delivered when the NHP's are allocated to EGSI's Designated Area. Title and risk of loss to NHP's shall pass to customer upon the latter of (i) EGSI's acceptance of customer's purchase order and (ii) the allocation of NHP's purchased by customer to the Designated Area.

11. Price.

(a) Pricing. Unless pricing is set forth in an EGSI Document in which case such pricing shall initially apply for the time period set forth therein, until or unless the pricing is changed by a subsequent EGSI Document or as otherwise permitted in this paragraph, Customer shall purchase the Products and Services from EGSI at the prices set forth in EGSI's price list in force as of the date of delivery dispatch of a Product or commencement of performance of the Service (each the "**Prices**"). As part of Prices, EGSI may additionally charge for the cost of any testing and certificates required for delivery (such as export veterinary certificates or certificates of origin). Notwithstanding the foregoing, and unless otherwise expressly provided in the applicable EGSI Document, Prices as well as related charges including, without limitation, shipping, handling, and packaging prices, may be modified by EGSI at any time in its reasonable discretion due to events outside of EGSI's reasonable control such as supply chain disruptions, transportation cost increases, acts of government, or inflation. If Prices are increased by EGSI before delivery of the Products to a carrier for shipment to customer or before performance of the Services, then the Agreement shall be construed as if the increased prices were originally inserted herein, and customer shall be billed by EGSI on the basis of such increased prices.

(b) NHP Imbalance Fee. In addition to the price for same sex NHP orders, the customer shall pay an additional inventory imbalance fee for each unit of 1 sex that exceeds the units of the other sex specified in an order. For NHP orders consisting of more of one sex than the other sex, the customer shall pay an additional inventory imbalance fee for each unit exceeding the quantity of the other sex as specified in the order.

(c) Taxes, Packaging, Shipping, and Handling. All Prices are exclusive of all sales, use, and excise taxes, VAT, Good and Service Taxes, and any other similar taxes, duties, and charges of any kind imposed by any governmental authority on any amounts payable by customer. Customer shall be responsible for all such charges, costs and taxes; provided, that, customer shall not be responsible for any taxes imposed on, or with respect to, EGSI's income, revenues, gross receipts, personal or real property, or other assets. If the customer is tax exempt, then it will be the customer's responsibility to provide EGSI with written proof of the customer's tax-exempt status. Except as specified in Section 6, prices do not include, and the customer shall additionally pay applicable freight (including packing, handling, and shipping) charges as well as fuel charges denoted in Section 6.

12. Payment Terms.

(a) Except for new customers purchasing from an EGSI Affiliate in Europe, unless different payment terms are otherwise expressly set forth in the applicable EGSI Document, and subject to EGSI's approval of customer's credit standing, customer shall pay all invoiced amounts due to EGSI within 30 days from the date of EGSI's invoice via methods acceptable to EGSI. Until or unless different payment terms are otherwise expressly set forth in the applicable EGSI Document, the payment term for new customers purchasing from an EGSI Affiliate in Europe, is cash in advance. If an order is placed for the cross-border supply of Products or Services, or if, in the judgment of EGSI, customer's ability to pay is deemed uncertain, or there has been a materially negative change in customer's financial condition, EGSI may require a different payment term, require accelerated payment, require payment in advance, and/or require customer's provision of or other assurances (including, without limitation, a letter of credit) that EGSI deems adequate before providing any Products or Services.

(b) For NHP purchases and NHP related services and other NHP related charges, Customer shall make all payments hereunder by ACH or check unless EGSI otherwise expressly agrees in writing to another payment method. For all other Products and Services, Customer shall make payment by ACH, EGSI accepted credit card, or check. All payments for orders primarily fulfilled in the United States shall be in U.S. Dollars. For orders that are primarily fulfilled via Envigo's operations in Europe, amounts due by Customer shall be paid in the currency specified in the applicable Envigo Document.

(c) Customer shall pay interest on all late payments at the lesser of the rate of 1.5% per month or the highest rate permissible under applicable law, calculated daily and compounded monthly. Customer shall reimburse EGSI for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees and court costs. In addition to all

other remedies available under this Agreement or at law (which EGSI does not waive by the exercise of any rights hereunder), EGSI shall be entitled to suspend the delivery of any Products or performance of any Services and stop Products in transit if customer fails to pay any amounts when due hereunder.

(d) Customer shall not withhold payment of any amounts due and payable by reason of any set-off of any claim or dispute with EGSI, whether relating to EGSI's breach, bankruptcy or otherwise. Notwithstanding anything to the contrary in this Agreement, and without prejudice to any other right or remedy EGSI has or may have, EGSI may set off or recoup any liability it owes to customer against any liability for which EGSI determines in good faith customer is liable to EGSI for, whether either liability is matured or unmatured or arises under this Agreement.

13. Limited Warranty.

(a) EGSI warrants to customer that at the time of delivery of a Product (except when delivery is undertaken by customer itself, by customer's contracted shipper, or at customer's risk, in which case, the Product warranty applies solely at the time of loading at EGSI's facility by the applicable courier and EGSI is not responsible for any Animal Product's specification compliance (other than genetic status) in such event following loading, including, without limitation, health status or physical condition upon delivery), and at the time of completion of a Service ("**Warranty Period**"), that such Products and completed Services will materially conform to the specifications set forth in the applicable EGSI Document (except for deviations therefrom caused by animal behavior) and that EGSI will perform the Services and prepare (and ship, when EGSI is responsible for shipment) the Product in compliance with applicable law ("**EGSI's Limited Warranty**").

(b) EXCEPT FOR THE WARRANTIES SET FORTH IN SUBSECTION 13(A), EGSI MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE PRODUCTS OR SERVICES, INCLUDING ANY (A) WARRANTY OF MERCHANTABILITY; (B) WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; (C) WARRANTY OF TITLE; OR (D) WARRANTY AGAINST INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY; WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE. WITHOUT LIMITING THE SCOPE OF THE FOREGOING, EGSI EXPRESSLY REITERATES THAT IT DOES NOT WARRANT OR REPRESENT THAT THE PRODUCTS OR THE RESULTS OF THE SERVICES WILL BE ACCEPTABLE TO ANY REGULATORY OR GOVERNMENTAL AGENCY TO WHICH THEY MAY BE PRESENTED OR THAT THE PRODUCTS OR THE RESULTS OF THE SERVICES WILL ENABLE THE CUSTOMER TO FURTHER DEVELOP, MARKET OR OTHERWISE EXPLOIT ANY PRODUCT OR SERVICE.

(c) Customer must promptly inspect the Products and any Service deliverables timely and in accordance with Section 9. Failure of customer to properly and timely notify EGSI, in accordance with such section, of any claimed nonconformity shall result in the customer's waiver of any claims pursuant to EGSI's Limited Warranty.

In this regard, each Party may act as a data controller or data processor (where Data Controller and Data Processor have the meanings as defined in the Data Protection Legislation) in relation to the Personal Data of each other's employees or representatives.

1.3 Without prejudice to the generality of clause 1.1, the Parties will ensure that they have all necessary and appropriate consents and notices in place to enable lawful transfer of the Personal Data for the duration and purposes of this Agreement.

1.4 Without prejudice to the generality of clause 1.1, each Party shall, to the extent that the Data Protection Legislation applies to processing in relation to any of each other's employees or representatives Personal Data processed in connection with the performance of obligations under this Agreement:

(a) process that Personal Data only on the written instructions of the respective Data Controller unless the Data Processor is required by Applicable Laws to otherwise process that Personal Data. Where the Data Processor is relying on laws of a member of the European Union or European Union law as the basis for processing Personal Data, the Data Processor shall promptly notify the Data Controller of this before performing the processing required by the Applicable Laws unless those Applicable Laws prohibit the Data Processor from so notifying;

(b) ensure that it has in place appropriate technical and organizational measures, reviewed and approved by the Data Controller, to protect against unauthorized or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data, appropriate to the harm that might result from the unauthorized or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures (those measures may include, where appropriate, pseudonymizing and encrypting Personal Data, ensuring confidentiality, integrity, availability and resilience of its systems and services, ensuring that availability of and access to Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the technical and organizational measures adopted by it);

(c) ensure that all personnel who have access to and/or process Personal Data are obliged to keep the Personal Data confidential; and

(d) not transfer any Personal Data outside of the European Economic Area unless the following conditions are fulfilled:

- (i) appropriate safeguards are in place in relation to the transfer;
- (ii) the data subject has enforceable rights and effective legal remedies;
- (iii) the Data Processor complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred; and
- (iv) the Data Processor complies with reasonable instructions notified to it in advance by the Data Controller with respect to the processing of the Personal Data;

(e) assist the Data Controller, at its cost, in responding to any request from a Data Subject and in ensuring compliance with its obligations under the Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;

(f) notify the Data Controller without undue delay on becoming aware of a Personal Data breach;

(g) at the written direction of the Data Controller, delete or return Personal Data and copies thereof on termination of the Agreement unless required by Applicable Law to store the Personal Data; and

(h) maintain complete and accurate records and information to demonstrate its compliance with this clause.

1.5 The Data Controller consents to the Data Processor appointing a third-party processor under this Agreement and the Data Processor shall promptly inform the Data Controller of the identity of the third-party processor. Data Processor confirms that it has entered or (as the case may be) will enter with the third-party processor into a written Agreement incorporating terms which are substantially similar to those set out in this clause. As between the Data Controller and the Data Processor, the Data Processor shall remain fully liable for all acts or omissions of any third-party processor appointed by it pursuant to this clause.

1.6 Either Party may, at any time on not less than thirty (30) days' notice, revise this clause by replacing it with any applicable controller to processor standard clauses or similar terms forming Part of an applicable certification scheme (which shall apply when replaced by attachment to this Agreement).

**SCHEDULE 2
CALIFORNIA DATA PROTECTION SCHEDULE**

1. Definitions. The following definitions and rules of interpretation apply in this Agreement:

(a) CCPA means the California Consumer Privacy Act of 2018, as amended (Cal. Civ. Code §§ 1798.100 to 1798.199.95), the CCPA Regulations (Cal. Code Regs. tit. 11, §§ 7000 to 7102), and any related regulations or guidance provided by the California Attorney General. Terms defined in the CCPA, including personal information and business purposes, carry the same meaning in this Agreement.

(b) Contracted Business Purposes means the services described in the Agreement for which EGSI receives or accesses personal information.

2. EGSI's CCPA Obligations.

(a) EGSI will only collect, use, retain, or disclose personal information for the Contracted Business Purposes.

(b) EGSI will not collect, use, retain, disclose, sell, or otherwise make personal information available for EGSI's own commercial purposes or in a way that does not comply with the CCPA. If a law requires EGSI to disclose personal information for a purpose unrelated to the Contracted Business Purpose, EGSI must first inform the customer of the legal requirement and give the customer an opportunity to object or challenge the requirement, unless the law prohibits such notice.

(c) EGSI will limit personal information collection, use, retention, and disclosure to activities reasonably necessary and proportionate to achieve the Contracted Business Purposes or another compatible operational purpose.

(d) EGSI must comply with any valid and verified request or instruction requiring EGSI to provide, amend, transfer, or delete the personal information, or to stop, mitigate, or remedy any unauthorized processing.

3. CCPA Warranties and Certification.

(a) Both parties will comply with all applicable requirements of the CCPA when collecting, using, retaining, or disclosing personal information.

(b) EGSI certifies that it understands this Agreement's and the CCPA's restrictions and prohibitions on selling personal information and retaining, using, or disclosing personal information outside of the parties' direct business relationship, and it will comply with them.

(c) EGSI warrants that it has no reason to believe any CCPA requirements or restrictions prevent it from providing any of the Contracted Business Purposes or otherwise performing under this Agreement. EGSI must promptly notify the customer of any changes to the CCPA's requirements that may adversely affect its performance under the Agreement.
